

Requesting Organisation	Community Links Bromley
Demand Activity	Bromley Korfball
Description of Activity	Bromley Korfball is a sports group that delivers sport opportunities for young boys and girls (11-16 years) in the Borough. Korfball is a new sporting opportunity in which young people of both sexes can participate on an equal basis.
Support Required	The intention is to develop awareness and interest to compete with the larger more established Sports, increase membership and attract diverse funding streams.
Assistance required	Marketing help and strategic guidance on how to achieve their Objectives.
Assistance provided	Guidance on identifying key objectives, suggesting planning outlines, clarification of priorities, possible sources of funds and discussion on possible cooperation with other parties (schools, other sport organisations in the borough)
Time required	Two meetings of approximately two hours each.
